

Sysmex Europe ranks among Germany's Top 100 employers by Great Place To Work®

Norderstedt, Germany, 22 April 2022 – Sysmex Europe ranks among Germany's Top 100 employers by Great Place To Work®

Sysmex Europe is proud to announce that Sysmex Europe SE is listed in the top 100 best workplaces by Great Place To Work® Deutschland again this year. It is ranked 17th in the '501-2000 employees' category.

Great Place To Work® is an international research and consulting institute that supports companies in around 60 countries in developing their corporate and workplace culture. Every year, Great Place To Work® awards excellent employers internationally, nationally, regionally and sector-specifically for their performance based on anonymous employee surveys and an analysis of corporate culture. Sysmex Europe earned their 2022 credential based on overwhelmingly positive feedback and ratings from its employees, which were captured via anonymous surveys.

'We are thrilled to be listed in the top 100 companies by Great Place To Work® again this year. We appreciate that our employees value our efforts to create a unique working atmosphere,' says Alain Baverel, President and CEO of Sysmex Europe. 'We are grateful that our commitment to fostering a workplace within the Sysmex Group has been rewarded with such a strong result. It encourages us to continue to create a better working place for the future and we appreciate the feedback given by our employees. We continue to take their feedback seriously,' adds Ulrike Weber, Vice President, Head of Human Resources EMEA at Sysmex Europe.

Among the survey highlights, 86% of employees say Sysmex Europe is a Great Place To Work®, compared to 68% of employees at a typical German-based company. Further, 84% would recommend working for Sysmex Europe to others. It is our goal to ensure these numbers remain high and that Sysmex Europe is a Great Place To Work® for years to come.
